

Are your hiring processes keeping up with the digital times?

Now's the time to transform employee agreements

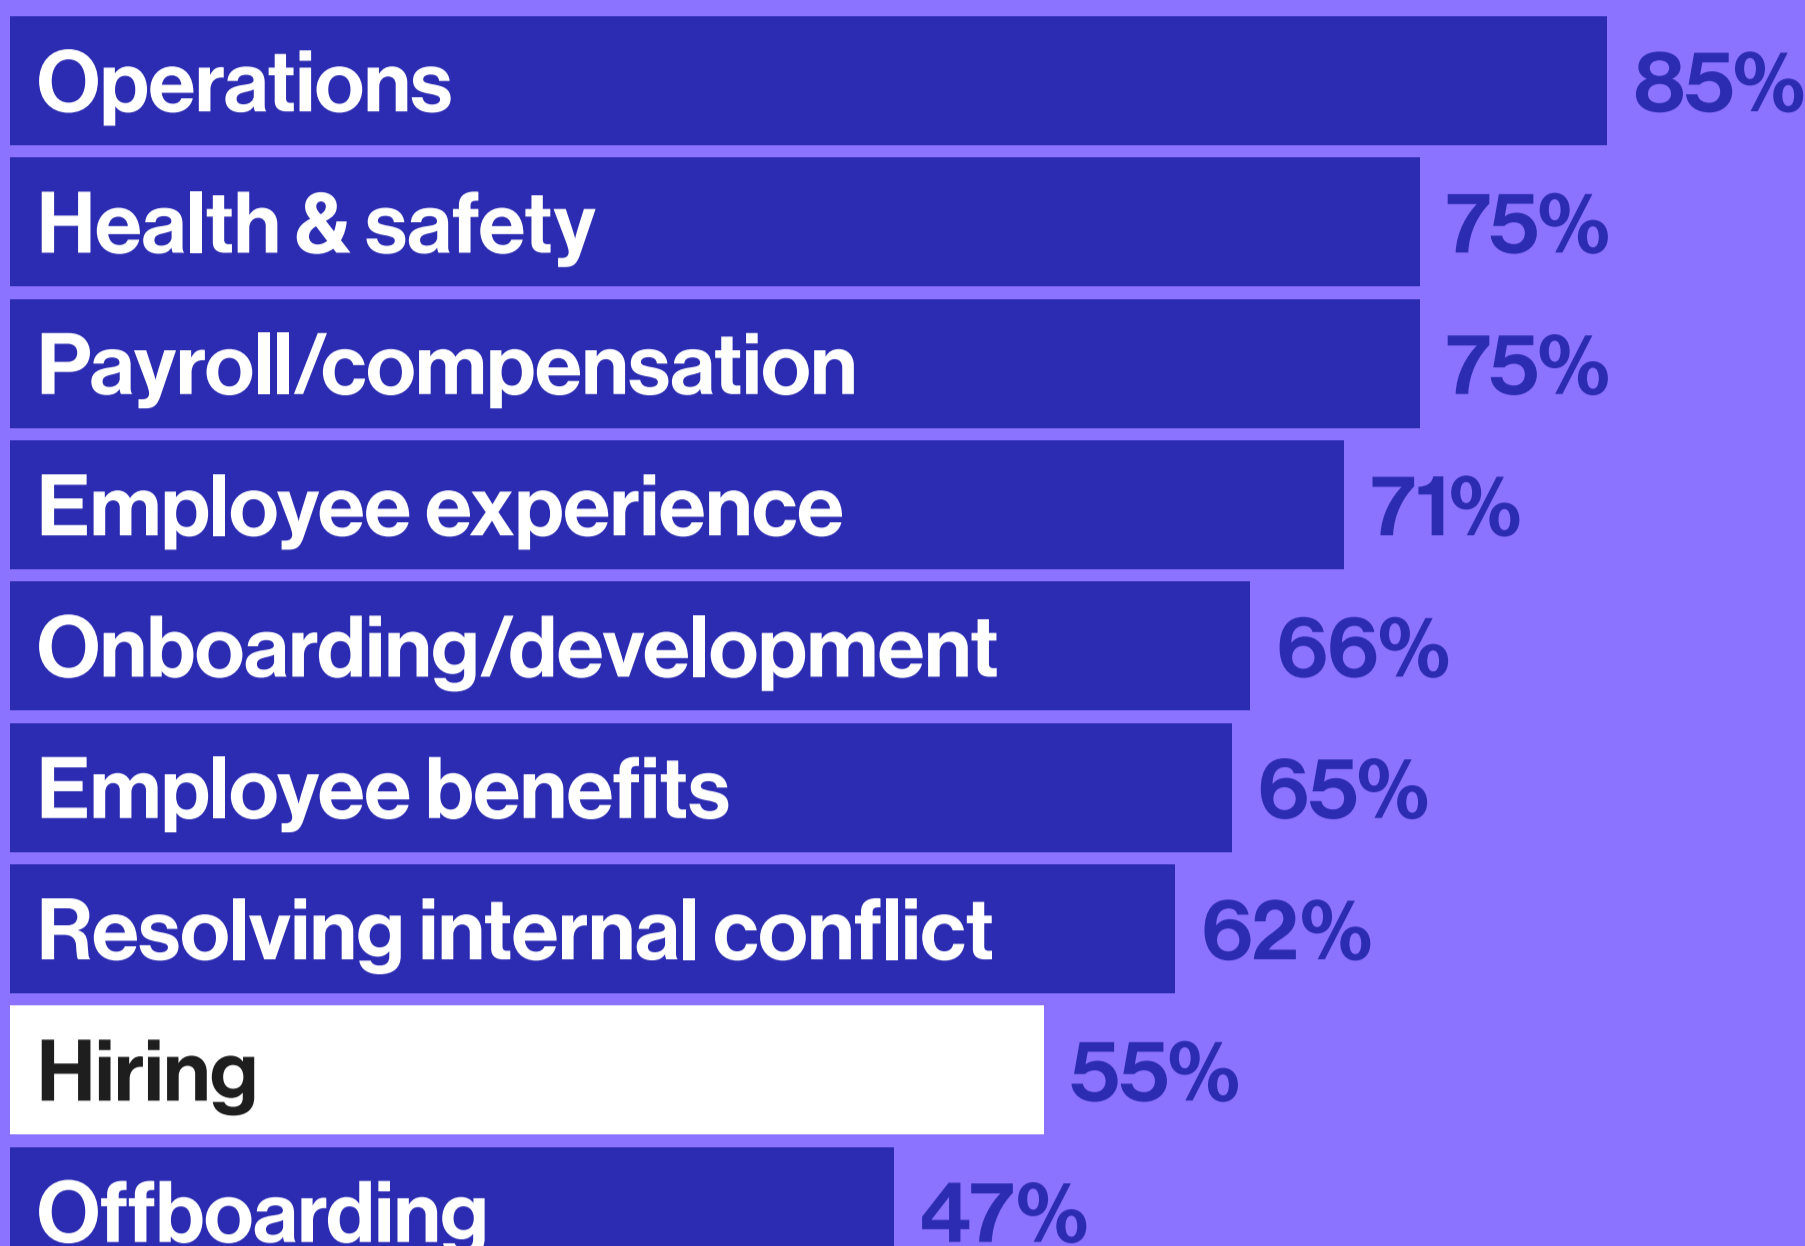

HR wants to focus on one goal: Hire great people

Top HR priorities

But HR teams can't find the time to focus on hiring

Weekly HR activities

The reason? HR runs on manual signature processes.

75% of HR teams sign most or all agreements on paper

Only **25%** use e-signature most or all of the time

Ambitious HR teams have taken charge with automation.

But these solutions have yet to connect the entire employee journey.

Percentage of teams that have automated each step

There's a better way to manage HR agreements

Move the entire HR process to a centralized platform like DocuSign Agreement Cloud and eliminate bottlenecks

80% Average reduction in document turnaround

\$50 Average savings for every job offer extended

82% of agreements are completed in less than a day

Keep your HR team focused on attracting and retaining top talent.

Automate the agreements HR runs on.

Learn how a digital system of agreement cuts document management in HR & increases satisfaction across your company.
